Boooking She Band for my 40th was the best decision I could have ever made!! Keisher along with the musicians were so professional, setting up and sound checking before the event. Once the party got going they made the night with their amazing playlist and stunning performances, getting everyone up and dancing! It was all the extra touches too like getting everyone in a circle for “we are a family” and letting my little girl sing a song for the party too - They were the highlight of the night and because of them we all had the best time ! Thank you sooo much

MADELEINE GEROSA

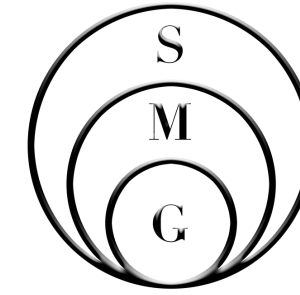

We had a lovely experience with Keisha, her charismatic and effortless engagement with the audience demonstrated her undeniable talent as a seasoned performer. Would definitely recommend.

CHRISSY CHRIS

Awesome music by amazingly talented people! The She All Stars were very helpful in the build up with planning set lists, sound checks and timings. We ran over on our speeches on the day, but the band adapted and were great at getting everything set up in time and delivering a great performance for us all!

REVIEWS

We couldn't have asked for a better wedding band - She Music brought amazing energy, an original flair and were fabulous to work with in the run up to the wedding. They even learnt to sing traditional Jewish music for our wedding which meant a lot and sounded incredible. Couldn't recommend them enough!

ALICE ESUOLA, PETER GRANT

I would highly recommend The She All Stars! They played at our wedding and were brilliant - so energetic and engaging. We had so many people commenting afterwards how great they were!

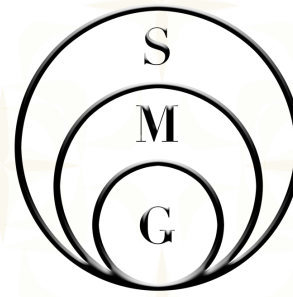

JESSICA FULLER

Fantastic singer and great entertainer! Would recommend for anyone looking for a high quality performer. 🕶️💯😄

SABRENA HARDWARE

She Music (Mrs X) played at our wedding this weekend. The members of the band were all very polite and a joy to deal with and they absolutely smashed it - they went down an absolute storm. The main singer was unable to come owing to illness and they found a replacement who was fantastic without any stress for us. Thank you v much!

FAQ

HOW MUCH DO YOU COST AND WHY ARE PRICES NOT ON THE WEBSITE?

Each band has a standard price but there may be additional costs for travel and the number of musicians you hire. Its a lot simpler to get a quote so there are no added costs once you book.

CAN WE CHOOSE OUR FIRST DANCE?

Absolutely! Just give us at least three weeks notice to give us time to learn anything that's not currently in our set.

HOW FAR DO YOU TRAVEL?

We are an International Collective who travel all around the World.

DOES THE BAND PROVIDE MUSIC BETWEEN AND BEFORE SETS?

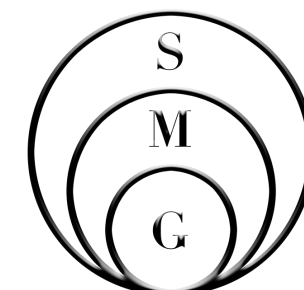

Our amplified bands provide music via an iPad/ laptop between sets, this is usually a pre-mixed playlist.

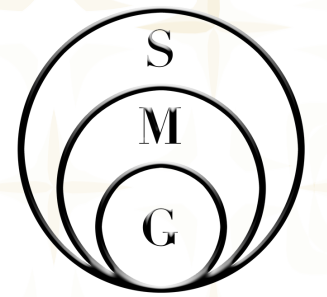

Alternatively, you can enquire about our Live DJ service.

N.B - Our acoustic bands do not offer this service.

HOW DO I CONFIRM A BOOKING?

A consultation is advised to ensure we are the right fit. We will then send over a contract with full terms and conditions included. This will then need to be signed and returned to confirm the booking. A deposit of 20% for UK bookings will be also be required, this is payable by BACS or online card payment. An invoice with payment details will be included with the contract.
